

Grab some *Pink Tape* for *Julia's Angel Day* January 14

Who's Julia??

Julia Dureski was a brave, smart, friendly little girl who spent a good part of her 8 year old life in the hockey arena cheering on her big brother, Shane. She touched a lot of lives with her sweet personality, strength and faith. Julia gained her Angel Wings on January 14, 2013, after a courageous 3 year battle with a type of childhood cancer called Rhabdomyosarcoma.

While she may not be with us physically, she surrounds us spiritually and emotionally and continues to inspire. Gold/Yellow is traditionally the color for childhood cancer, but pink was one of Julia's faves and it was super cool to see teams from Timbits to Juniors sporting hot pink tape last January to help spread awareness of childhood cancer through Julia's memory.

We would like to ask everyone in Blackfoot to grab some PINK TAPE and spread the word about Childhood Cancer Awareness by wearing PINK on JANUARY 14 (and hopefully for the rest of the month if you'd like).

Go Chiefs!
